Tuck School of Business at Dartmouth
100 Tuck Hall
Hanover, NH 03755

There must be evidence that the candidates can conduct research and teach at a level of quality consistent with Tuck's high standards. As potential colleagues, we are interested in candidates who can interact effectively with others and enhance the intellectual environment of the school. The Tuck School fosters a professional environment that is intellectually stimulating and interdisciplinary. We look for excellence in both research and teaching and provide ample financial and logistical support in a highly collegial culture as a means to achieve these ends. The School provides faculty with state-of-the-art computer technology enhanced with in-house program support. Library and secretarial support is generous, and funding is provided for research assistance and for travel related to either research or teaching.

Dartmouth College is an Equal Opportunity/Affirmative Action employer. Women and minorities are encouraged to apply.
